

Snickerdoodle Wigglebutt McFluffy-Paws and a **SPARKLE FOR SNOWBERT**

A LOST SPARKLE. A CHRISTMAS FULL OF MAGIC.

Join Snickerdoodle and Fishy on a heartwarming holiday tale filled with snowy fun unexpected friendship, and the true magic of Christmas. Christmas vacation means snowy adventures for Snickerdoodle Wigglebutt McFluffy-Paws and her best friend Fishy, especially when they visit Gramie's cozy Maine farm. But one frosty night, something unusual crashes into the barn.

It's small. It's scared. And it definitely doesn't belong there. His name is Snowbert... and somehow he's lost his sparkle.

With the help of one very mischievous goat, Snickerdoodle and Fishy set out to help their new friend before Christmas morning arrives. But as Christmas Eve draws closer, Snowbert fears he may never shine again.

Perfect for ages 3–7 and anyone who believes a good giggle can brighten any day. **Bring a piece of Maine home.**

Author

Toni L. Poll writes magical, giggle-filled adventures for children ages 3–7, where laughter, friendship, and curiosity lead every story. She makes her home in the quiet woods of Maine, where snowy winters, autumn leaves, and warm mugs of cocoa spark her imagination. Surrounded by nature's seasons and the charm of small-town life, she dreams up playful characters and joyful tales that invite children into worlds of wonder.

Illustrator:

Based in New Zealand, Richard Hoit has been illustrating children's books for over twenty years. Today he continues to illustrate children's books with different publishers around the globe, and his work is published worldwide.
