

# Snickerdoodle Wigglebutt McFluffy-Paws and the **GREAT GIGGLE ADVENTURE**

## A WHIMSICAL, COASTAL ADVENTURE

Down by the sparkling coast of Maine lives one curious kitten with a name as big as her heart—Snickerdoodle Wigglebutt McFluffy-Paws! She and her best friend Fishy set off on a seaside quest to find a mysterious sound. They meet Sir Wigglesworth the frog, who has lost his giggle.

Through fun and imagination, Snickerdoodle discovers that giggles aren't gone forever—they just need a little friendship to bounce back. Filled with lyrical rhyme, coastal charm, and joyful illustrations, Snickerdoodle Wigglebutt McFluffy-Paws and the Great Giggle Adventure celebrates laughter, kindness, and the simple magic of helping others find their smile again.

Perfect for ages 3–7 and anyone who believes a good giggle can brighten any day.

### Author

Toni L. Poll writes magical, giggle-filled adventures for children ages 3–7, where laughter, friendship, and curiosity lead every story. She makes her home in the quiet woods of Maine, where snowy winters, autumn leaves, and warm mugs of cocoa spark her imagination. Surrounded by nature's seasons and the charm of small-town life, she dreams up playful characters and joyful tales that invite children into worlds of wonder.

### Illustrator:

Based in New Zealand, Richard Hoit has been illustrating children's books for over twenty years. Today he continues to illustrate children's books with different publishers around the globe, and his work is published worldwide.
